EXPERIENCE

PROJECT OUTSOURCER – EJARO, CA　　　　DEC 2022 - MARCH, 2023

As a project outsourcer I was responsible for communicating all the requirements of our company to the developing team and was able to solve the problems of tenant management by developing a RMS (Rent Management System).

DATA SCRAPER – PROPERTY INVESTO, CA　　　JUNE 2023 - SEPT, 2023

Collected data of more than 20 thousand real-estate brokers residing in Canada using latest Python technologies.

EDUCATION

BS SOFTWARE ENGINEERING – CUSIT PESHAWAR　　　2021-PRESENT

Currently studying with the second highest CGPA throughout the batch as a honorary scholarship receiver and a Ex-GDSC (Google Developers Student Club) Graphic Design team lead.

DIPLOMA IN PROJECT MANAGEMENT - GOOGLE　　　2023-PRESENT

Enrolled in a 6-month degree sponsored by Google that is only provided to its affiliated institutions, as an Ex-GDSC Lead I received the privilege to enroll in this degree offered by Google at no cost.

ACTIVITIES

Providing freelance services as an Ai Artist, Graphic Designer, Design Consultant, Project Manager and a Software Developer for the past 3 years, Mostly having and dealing with international companies and clients with more than 50+ (5-star) reviews.
